

# Colon Cancer Awareness Month

*Join us for a free seminar and healthy cooking demonstration!*

Colon cancer is the second leading cause of cancer death in Idaho—but it doesn't have to be that way. When caught early, colon cancer is very treatable.

We invite you to join us for this free educational program. You'll learn important information about screening, prevention, and what you can do to protect your health.

Presented by Brian Berk, MD  
St. Luke's Clinic – Gastroenterology

**Monday, March 16, 6 p.m.**

St. Luke's Magic Valley  
801 Pole Line Road W.  
Twin Falls  
Oak Rooms (lower level)

***To register, please call the  
Magic Valley RSVP line at  
(208) 814-0094.***
